MedStar Health

At a Glance

MedStar Health combines the best aspects of academic medicine, research and innovation with a complete spectrum of clinical services to advance patient care. As the largest healthcare provider in Maryland and the Washington, D.C., region, MedStar Health's 10 hospitals, the MedStar Health Research Institute and a comprehensive scope of health-related organizations are recognized regionally and nationally for excellence in medical care. MedStar Health has one of the largest graduate medical education programs in the country, training 1,100 medical residents annually, and is the medical education and clinical partner of Georgetown University. MedStar Health is a $5.5 billion, not-for-profit, regional healthcare system based in Columbia, Maryland, and one of the largest employers in the region. Our more than 31,000 associates and 5,400 affiliated physicians support MedStar Health's patient-first philosophy that combines care, compassion and clinical excellence with an emphasis on customer service.
