

## Immediate treatment for acute aortic pathology.

MedStar Union Memorial Hospital in Baltimore, Md., provides an urgent referral center for all complex aortic conditions, including acute dissections, ruptures, aneurysms, and penetrating ulcers.

Our helicopter and ground transport system provides expedited access to care 24/7, regardless of patient location. We accept all transfers.

**410-554-2332**

**With one phone call, we will initiate immediate transfer and treatment for your patients.**

# Complex Aortic Center at MedStar Union Memorial Hospital:

Rapid access, evaluation, and treatment for all complex aortic pathology.

The Complex Aortic Center serves as a 24/7 referral site for immediate evaluation and treatment of complex aortic disease.

**Our program:**

- Offers a rapid and streamlined referral process with just one phone call
- Transports patients from your location directly to the care of cardiovascular specialists at MedStar Union Memorial Hospital, via our own helicopter or ambulance
- Provides closed-loop communication and easy image-sharing abilities

You and your patients will be taken care of with urgency, organization, and expertise. We treat the most complex cases with the full spectrum of available options, including minimally invasive, transcatheter, and open approaches. Our aortic disease program is one of the largest in the mid-Atlantic region and performs more aortic interventions than any other program in the region.

To refer a patient, and arrange for  
24/7 transport, call:
