UNIVERSAL APPLICATION

FOR

FELLOWSHIP

The Universal Application for Residency was developed by the Association of American Medical Colleges (AAMC) in collaboration with hundreds of residency program directors. It is designed to provide information generally required for consideration by program directors and to facilitate the residency application process. All programs are urged to accept this application in lieu of requiring the submission of a unique form and many programs have adopted this form as the application for their program. Applicants are encouraged to submit copies to all programs in which they would like to be considered.

INSTRUCTIONS FOR THE UNIVERSAL APPLICATION FOR FELLOWSHIP - PLEASE READ CAREFULLY

USING THE UNIVERSAL APPLICATION TO APPLY TO MULTIPLE PROGRAMS

Usage of the Universal Application is not dependent upon whether a program participates in the NRMP. A blank copy of the Universal Application may be completed in its entirety for each program; or, an applicant may elect to:

! Remove this instruction page at the perforation.
! Complete Page 1, with the exception of Item 3 (Program Description), Item 4 (Name of Hospital), and Item 5 (City/State) and enter the missing information specific to each program on copies; and,
! Complete Page 2 and copy; and,
! Complete Pages 3 and 4, with the exception of Signatures in Items 28 and 30 (these signatures must be original on all copies); and,
! Staple the copied pages together in the upper left corner for distribution to individual programs, ensuring that copies are clear legible and sequential.

It is recommended that you keep on file copies in the event you want to submit additional applications at a later date.

COMPLETING THE UNIVERSAL APPLICATION

Please type or print legibly in black ink.

Electives Completed/Planned (Page 1, Item 9): List all electives completed and all senior electives planned. Planned electives should be designated by a "P" following the course title [i.e., Cardiology (P)].

Honors/Awards (Page 1, Item 10): List all honors/awards, including membership in honor societies such as AOA. Specify the basis for any special recognition (i.e., academic performance, special accomplishments, leadership, research, community service, etc.)

Personal Statement (Item 13, Page 2): The Personal Statement provides you with the opportunity to communicate your professional interests and achievements with regard to research experience and training, special projects, and professional accomplishments. Bibliographic references should be provided for all published papers. Program Directors are also interested in your future plans as defined by your specialty goal and the number of years you intend to devote to graduate medical education.

You may also wish to describe your personal interests, activities, and circumstances. As transcripts of your academic accomplishments are most likely to be required, any interruption in your medical education should be explained in the Personal Statement.

Permanent Address and Telephone Number (Items 24, Page 3): Enter the name, address, and telephone number of an individual through whom you can always be contacted (i.e., parent, relative, close friend, etc.).

Interview Scheduling (Item 27, Page 3): Indicate the specific date(s) or general time period that you are available for interviews.

Photograph: Most program directors request a photograph in order to associate a face with the "paper work". If you do not submit one at this time, you should be prepared to provide one when you are interviewed.

References (Item 29, Page 4): Virtually all hospital programs require the Dean's Letter for U.S. seniors as a standard reference. Non-U.S. seniors should attempt to provide evaluations from faculty members at their medical degree-granting institution. Most programs require a minimum of three additional evaluations. References should be from faculty members or physicians who are familiar with your credentials and are in a position to comment on your suitability for the position you seek.

This space is intentionally left blank.

SUBMITTING THE UNIVERSAL APPLICATION

You should submit all four pages of the Universal Application for Fellowship, with original signatures, to each program to which you wish to apply. Attach the Program Designation/Acknowledgement Cards to the upper left corner of Page 1 of the Universal Application and fold. Do not separate cards. It is the applicant's responsibility to arrange to submit required supplementary materials (transcripts, letters of evaluation, etc.) by the designated program's stated deadline.

DO NOT RETURN THE UNIVERSAL APPLICATION TO THE NRMP
