

MEDSTAR PATIENT INFORMATION SHEET

MedStar Health Financial Assistance Policy (FAP)

MedStar Health is committed to ensuring that uninsured patients within the community served who lack financial resources have access to emergency and medically necessary hospital services. If you are unable to pay for medical care, have no other insurance options or sources of payment including Medical Assistance, litigation, or third-party liability, you may qualify for Free or Reduced Cost Medically Necessary Care.

MedStar Health meets or exceeds the legal requirements by providing financial assistance to those individuals in households below 200% of the federal poverty level and reduced cost-care up to 400% of the federal poverty level and will not exceed the amounts generally billed (AGB).

Payment plans are offered on a medical debt owed for services rendered to patients that are not eligible for free care.
