

How to log in to the Georgetown-MedStar IRB System

Using your web browser go to: <https://gumedstarirb.georgetown.edu/IRB>

Your username for the system is your MedStar network ID. Your password for the system is your MedStar network password followed by the 6-digit VIP code from your registered VIP credential.

Please log-in with the institution who's Institutional Review Board (IRB) will be reviewing the study based on location and research area. If you have questions regarding where to submit, please contact either: Georgetown at irboard@georgetown.edu or MedStar Health Research Institute at MHRI-ORIRHelpDesk@MedStar.net

First time user? [Click here](#) to see directions for logging in.
