Guidelines for Adult Volunteers

The Volunteer program of MedStar St. Mary's Hospital has been designed to enhance the comfort, care and happiness of the patients, families, visitors and the community and provide many extra services that supplement the functions of the professional staff.

This program is open to all persons 18 years of age and over who are able to donate at least four (4) hours of service each week for a minimum of six months.

All new volunteers are required to have drug screening and tuberculosis testing. The Occupational Health Department gives these tests at no cost to volunteers. All volunteers are required to have a flu vaccine annually. MedStar St. Mary’s Hospital provides this vaccine free to all staff.

You are asked to submit copies of medical records, which evidence immunity, or to take a titer test for MMR, Varicella and Hepatitis B. These are done through the Occupational Health office and are provided at no cost to the volunteer candidate. You will be notified when to contact Occupational Health for all tests.

All volunteers are required to provide complete and accurate information to the hospital that will be submitted for a background check.

Uniform and identification badges are worn while volunteering. The cost of the uniform is $15 and can be paid after all health requirements, testing and processing is complete. Volunteers must attend orientation and complete all verification paperwork.

A hospital identification badge, issued by MedStar St. Mary’s Hospital, will be provided before reporting for your first assignment. Your hospital identification badge must be worn while volunteering at MedStar St. Mary's. If lost, notify the Volunteer Coordinator immediately, a replacement badge can be obtained and will cost $10. The badge must be returned to the Volunteer Coordinator when you discontinue service with the hospital.

A professional appearance is expected at all times by keeping clean, neat appearance with properly fitting clothing, shirts and blouses tucked in, and socks or stockings. No facial piercings and tattoos must be covered. Closed shoes with rubber heels are to be worn by volunteers who work in patient care areas. Hair must be well groomed, beards, mustaches and side burns neatly trimmed. Caps and hats should not be worn unless they are part of a uniform established by the department in which the volunteer is working. No blue denim jeans or jean-type slacks, leg warmers, stretch pants, tube tops, jogging suits, athletic attire of any kind, low-cut, low-back or backless dresses or blouses, sweatshirts or sweatpants, slippers or house shoes. Avoid excessive jewelry and strong perfumes or cologne.

Volunteers are responsible for keeping accurate records of their volunteer hours. A sign-in sheet will be placed at an appropriate location for this purpose.

Confidentiality and privacy of patients, staff, and public are extremely important at MedStar St. Mary's Hospital (also known as “HIPAA”). A Statement of Confidentiality will be signed at the time of acceptance as a volunteer. Breach of patient confidentiality is grounds for immediate release from the volunteer program.

Each volunteer will be responsible for abiding by the hospital’s policies and procedures and all information, policies and procedures contained in the MedStar St. Mary’s Hospital Volunteer Handbook, which you will receive prior to beginning volunteer service.
