

# Let us help you find the **Blood Bank.**

1

Take the Tower elevators to the second floor.

2

Make a right off of the elevator and walk through the crabs to the end of the hallway.

3

Take a right when you get to the Oriole Bird.

4

After turning right, continue down the hallway past the yellow flooring.

5

Soon after you pass the yellow flooring, the **Blood Bank** will be on the left hand side. *Tip: Look for wooden doors.*
