

Let us help you find Medical Records.

1

Take the Tower elevators to the second floor.

2

Make a right off of the elevator and then another immediate sharp right turn. Continue to the end of the hallway.

3

When you reach the end of the hallway at the Office of Philanthropy, take a left turn.

4

On your left hand side will be **"Medical Records"**.
Tip: If you've reached the doors with a "Staff Only" sign above, you've gone too far.
