

# Community COVID-19 vaccine site locations.

Most MedStar Health primary care practices are offering the COVID-19 vaccine same day, on demand. If you are a current MedStar Health primary care patient, please contact your primary care provider's office or send a message via the myMedStar patient portal.

If you are not a current MedStar Health primary care patient, the following practices are offering COVID-19 clinics.

### Here's what to bring:

- Health insurance card, if you have one
- Identification, such as driver's license, passport, or utility bill

### And, remember to:

- Wear a face mask
- Wear a shirt with a sleeve that is easy to roll up
