

Our mobile health services

Two healthcare centers on wheels, serving neighborhoods across Baltimore.

Being able to see a provider when you need one is important. MedStar Health's two mobile health centers offer a solution! We visit communities across Baltimore every week, making it easier for you and your loved ones to get the medical services you need—regardless of your insurance coverage.

Your health is our priority. You can turn to our mobile health centers for:

- Primary care
- Urgent care
- Chronic disease management
- Cancer screenings
- Vaccines
- Harm reduction supplies
- Mental health
- Wound care
- HIV and hepatitis C testing
- Sexually transmitted infection (STI) screenings
- Women's health
