

Thank you for choosing MedStar Radiology Network at Chevy Chase.

Your imaging exam is scheduled outside of our building's standard business hours and the important information below will help you be familiar and comfortable entering or exiting for your appointment.

Standard Building Hours

Outside of these hours, patients will need to park in alternative lots, use an access code to enter the building and avoid stairwells.

Parking

On-site parking is available during the operating hours shown above.

- If leaving outside standard hours, garage doors will open for easy exit.

Building Access

Outside of standard operating hours, all building entrances are locked.
