

Safe Babies, Safe Moms

We're here for you and your baby!

We are excited to support you and your family from birth of your baby to their adulthood. You may schedule one of the following visits.

Pediatric Prenatal Visit

When: During your **third trimester** of pregnancy

Newborn Visit

When: Two days after your baby leaves the hospital

At this visit, we will talk about:

- What will happen with the baby once they are born in the hospital
- What shots the baby will get in the hospital
- What tests the baby will get
- Breastfeeding support
- Well Visit schedule and vaccinations
- Baby safety
- Any questions you may have
- Your baby's measurements
- Your baby's feeding
- Supporting your baby's milestones
- Breastfeeding
- Any questions you may have regarding your baby's stay in the hospital or when going home

To schedule an appointment or speak with a nurse or physician (Monday through Friday 8 a.m. - 5 p.m.), call **301-699-7700**. After hours (weekends or after 5 p.m. weekdays), call **202-444-7243** with urgent questions.
